

Primary 7 Intended Learning Plan- Term 4 2021

What will we be learning this term?

Language - Reading, Writing, Listening and Talking

In Literacy this term we will: -

Continue to develop our ability in imaginative and functional writing.

Develop and vary our use of VCOP & sentence structure in order to make our writing even more interesting.

Encouraging of independent and group reading through ERIC

Enhance our listening & talking skills through group discussion & presentation.

Mathematics

In Maths & Numeracy this term we will:

Continue to develop our multiplication & division skills and use this knowledge to solve problems.

Revise overall understanding of fractions, percentages and decimals.

Develop our understanding of budgets in the real life context of planning using Nat West Money Sense resources.

Interpret graphs, charts & signs and demonstrate how they support planning, choices and decision-making.

Daily Rigour Maths Challenges

Science/RME

In Science, we will be learning about how key events & individuals have helped to shape the world. We will: -

Report and comment on current scientific news items.

Develop an appreciation of the contributions that individuals make to the world of science.

In RME we will:-

Research significant figures from world religions, what makes them inspirational and the impact that it has on the lives of others.

Technologies

In Technologies this term we will be :-

Coding through Coding Apps on the I pads: We will learn how to: -

Write codes with the long-term aim of building their own apps.

Code using sequences and reorder codes to give the same results.

Understand what a loop is and how it makes instructions more efficient.

Debugging our programs

Programming Sphero Balls

Expressive Arts

In Expressive Arts we will:-

Music- choosing songs for leavers assembly, choosing appropriate instruments and learning how to play our chosen pieces of music .

Preparing and performing music for end of year video.

Health & Well-Being

In Health and Well-being, we will:-

Whole school focus on Expect the Unexpected within the Building Resilience programme.

Explore how our friendships might change and adapt as we move on to high school. We will talk about how to make new friends and how to make a good new impression.

Explain our own ambitions and how to achieve them. Through Our World of Work.

In PE the class will be doing athletics.

Ethos and Wider Life of the School

- Pupil Council
- Clan Chief duties

Reminders

- PE is on a Wednesday and Thursday. Everyone must have a change of clothes.
- Mobile phones must be switched off whilst in the school grounds.
- Please ensure your child has enough water with them each day. The water fountains are not in use and now with the warmer weather the children need water more regularly.
- Uniform should be worn to school on non-PE days. Please ensure your child is at least wearing school colours on non-PE days.
